

# kindergarten- academy

ideate - create - share

**Children love to share.  
Let's give them an opportunity to teach us!**

## **Home activity**

Kindergarten students will create a short 2-3 minute video tutorial

## **How to**

Videotape ONE activity that your child can explain/teach at home.

Plan the five or six easy steps needed to complete a simple task and ask your child to demonstrate the process.

## **Help your child come up with an idea**

This can be anything your child would like to teach to classmates.

*For example:* feeding my pet; brushing my teeth; tidying my room; walking my dog; preparing a bowl of cereal; building a tower; making a craft.

## **Due date - Thursday, May 27<sup>th</sup>**

Send video via text or email

Videos will be posted on our class website and viewed as a classroom.

## **Have questions?**
