### **Ms. Kristine Lachance**

I was born and raised in Whitehorse. My grandparents came to Yukon in the 1920s. LePage Park on Wood Street is named after them. They worked in many jobs, including summers traveling the Yukon River between Whitehorse and Carmacks working on the steamboats. My mom, Amy, still resides in Whitehorse where she was also born.

I've worked at both Elijah Smith Elementary and Takhini Elementary schools over the past 12 years. I've taught in each grade level from K-3. This is my 4th year teaching Kindergarten.

When I'm away from work, my husband, Gary and I enjoy biking and hiking with our dog, Jazz. Over the years, I've enjoyed singing and performing music at a variety of events and locations with Gary and our band.

I look forward to us sharing a wonderful year learning and having fun in Kindergarten.

### **Ms. Teresa Whiteway**

I am on my fourth year as an Educational Assistant at ESES.

I enjoy the outdoors, camping, fishing, and being with family whenever possible. Originally from Manitoba, my son and I moved here in 2011.

I like listening to music, travelling and playing sports, mostly baseball. My favourite food to eat is moose meat or fresh caught fish.

I am looking forward to being in Kindergarten this year.
